**Pentagon Amateur Radio Club**  
**June 8, 2005**

1. The meeting was called to order by Dr. Kaiser, club president, with 9 members present.
2. QST Article – no change in status, Mr. Hughes is the opr for this.
3. FEMME Corporation meeting has been held with Doug Donnell and Dr. Kaiser. They are providing postage for the 9-11 QSL cards.
4. Space: no change in status. Mr. Weiss and Dr. Kaiser are continuing to work this issue.
5. Tower: no change in status
6. Yaesu FT 1000: will be repaired at a cost of approximately \$300. PARC members are request to consider a contribution to offset this cost which has been paid by Dr. Kaiser and Mr. Lipp. A donation of \$20 would be sufficient.
7. MARS Update: PARC will be given a new call (AAN3PNT). This is an Army MARS call. Dr. Kaiser gave an update on his meeting in Dayton with Mr. Sutton (ARMY MARS Director). Capt Low has volunteered to be the PARC point of contact for MARS actions.
8. Special Event 9-11: Paul Hennessey will be presenting an update on plans and operations for our 9-11 special event this year.
9. WEB Site: Doug Donnell is working on cleanup actions for our site.
10. Field Day: Capt Low proposed use of the PARC station for ARRL Field Day activity.

Next meeting will be July 13, 2005, at noon in the OSD Conference Center, 2C554.
