**Pentagon Amateur Radio Club**  
**April 5, 2006**

Dr. Kaiser called the meeting to order at noon on April 5.

1. Actions pending from our meeting with the station trustee, Harry Rensel, were discussed. These items include station access for members not working in the Pentagon and briefing LTG Boutelle on club sponsorship activities.
2. MARS Update – Grant Hayes will be our best contact for Army MARS activities. Our call sign is AAN3PNT. Mr. Anderson has volunteered to be our station manager.
3. UHF/VHF Updates – Actions were reviewed on our RIA for these antennas. Basically they have been approved by JSC.
4. HF Vertical – needs radials to work properly
5. HF Beam – Baird mount is pending. Additional items such as a rotator will also be required.
6. Digital Station Update – Cpt Richards gave an excellent update on activities for digital operations at K4AF.
7. Dayton Hamfest is this month (May 19-21). Mr. Lipp has one room available for anyone needing lodging.
