

**Minutes**  
**Pentagon Amateur Radio Club**  
**May 3, 2006**

1. Dr. Kaiser called the meeting to order at noon on May 3, 2006.
2. Harry Rensel and Dr. Kaiser have the action to brief LTG Boutelle and also try to get Pentagon building passes for members not working in the Pentagon.
3. The MARS License for AAN3PNT is expected from the ARMY. Neil Friedman will be checking our Post Office Box for this item.
4. The HF beam has been approved by the JSC. Many actions remain to get this antenna erected on the roof.
5. Troy Warshel, KG6MGE presented an update on digital activities for our station.
6. The K4AF repeater is scheduled for a work party in May. Late update; we have removed the Mirage amplifier and Mr. Lipp has repaired this equipment for re-installation at the repeater site.
7. The PARC website continues to be updated. Members may request a mailbox from Doug Donnell.
8. Club bylaws – Mr. Lipp has the action to check on club bylaws. This may be needed to get Army sponsorship for member building passes.
